Terms & Conditions of Hire

(1) All orders are accepted subject to the following Terms & Conditions, which shall form part of and govern the contract of hire. Prospective hirers are therefore required to make themselves familiar with it. In these terms and conditions the word "Owner" shall be deemed to refer to Delilicious Catering Ltd. The "Hirer" means the person, Firm or Company or other body taking the equipment on hire. "Hire Price List" means the list of charges published by the Owner, from time to time. The hire contract shall be applicable from the time the Owner accepts the order from the Hirer.

(2) The prices specified on the Hire Price List are for one day's hire only. Prices for periods of more than one day's hire are as follows: 2 or 3 days - as one and a half times one day's hire. 4 or 5 days - as twice one day's hire. Thereafter, each additional week's hire will be charged as one day's hire. The Owner reserves the right to vary prices. Prices given in a written quotation are valid for 30 days from the date of the quotation. If a quotation is accepted by the hirer within 30 days of the date of the quotation, the Owner agrees to honour the quoted hire price.

(3) The hiring shall be deemed to continue until the Owner receives all equipment, or it is reported to the owner as lost/broken/stolen.

(4) Hire rates include fair wear and tear only. When equipment is returned in a condition other than when received by the Hirer, a charge for cleaning, reconditioning, renewing or replacing will be made where considered necessary by the Owner. All furniture is hired on the condition that it is for indoor use. Damage through damp or wet will be charged for. All food debris must be removed from the equipment before return. Equipment returned unwashed shall be liable to a surcharge of 25% of the invoice total. Minimum Dirty Return charge is £25.00.

(5) Substitutes for lost or broken equipment cannot be accepted. Equipment returned which is not the property of the Owner will be retained for a period of one month. After this time the Owner reserves the right to dispose of such equipment.

(6) The Hirer shall pay in respect of all equipment not returned or returned broken/cracked, etc., the sum published as Replacement Charge in Hire Price List. Hire charges will not be taken into account in calculating the monies due under this clause. The Owner's checking of equipment shall always be deemed to be final.

(7) All equipment let out on hire, including equipment charged for under clause (6) above, always remains the property of the Owner and Hirers shall so far as they lawfully can, assist the Owner to resume possession of any equipment not returned, when appropriate credit will be given. The Owner shall not give credit for goods returned after a period of 60 days from the date of the original hire. Items returned within 60 days shall be credited, less the hire charges for the period. Credit Notes are only valid for 180 days after the date of issue, after this time the owner shall cancel any unclaimed Credit Notes.

(8) The Hirer is wholly responsible for all equipment from time of delivery/collection until uplifted/returned, and liable for damage during transit (if collecting equipment from the Hirer), or due to fire, theft, burglary, breakages or other losses, and should ensure safekeeping of equipment awaiting uplift/return. The Hirer should in his own interest insure, or meet the premiums for insurance of the equipment whilst out on hire.

(9) The Hirer, before use, should check all equipment, and any deficiencies should be reported immediately to the Owner. Phone (0131) 448 2038 (24hrs Timed Service). Deficiencies reported after use shall not be credited.

(10) The Hirer agrees to repack all equipment into their appropriate containers and to make such equipment available for collection at the same location to which they were originally delivered. Failure to comply with this clause may result in additional charges being made by the Owner. A charge will be made for any packing containers not returned or returned damp, dirty or damaged.

(11) Claims for refunds after completion of hire, on the grounds that some of the equipment was not used, cannot be considered.

(12) The owner requires a minimum of 3 working days' notice of hire. Orders may be accepted later than this, however, the owner reserves the right to levy a 10% late order surcharge.

(13) The Owner will take every precaution to ensure that the equipment is clean, polished, and in good condition upon delivery.

(14) Should the Hirer wish to cancel in whole or in part an order, after the Owner has accepted it, notifications must be made to the Owner at least 3 working days before dispatch. Charges for cancellation are as follows: 3 days prior to dispatch 50%; 2 days prior to dispatch 75%; 1 day prior to dispatch 90%. On the day of dispatch 100%. If deliveries are required to be made within the Hirer's or Third Party's premises the Owner will accept no responsibility and will not be liable for any damage or loss resulting to Hirer's or Third Party's property.

(16) In the event that the Hirer requests the Owner to deliver/uplift goods from an area which is not a designated loading/unloading area the Hirer shall be responsible for and shall reimburse the Owner in respect of any parking fines or charges incurred by the Owner.

(19) Specific times for delivery/uplift cannot be guaranteed. The Owner reserves the right to deliver the equipment on an earlier date than requested and to uplift at a later date than requested. This may include out of hours' work, at the Owner's cost. The Hirer must make equipment ready for collection immediately after the stated day of use.

(20) Drivers/Porters are not authorised to check hired equipment or to sign for the same. All equipment shall be checked, in due time, on return to the Owner's premises. The Owner's checking of equipment shall always be deemed to be final. Off-site checking is available at the stated off-site labour rate.

(21) Hirers who are collecting and returning equipment must supply labour to load/unload their vehicles. The owner reserves the right to levy an on-site labour charge should the owner have to provide a loading/unloading service. Collection/Return of equipment must be made between the hours of 9am & 4pm, Monday to Friday. Equipment collected before 9am will be deemed to have been collected the previous working day. Equipment returned after 4pm will be deemed to have been returned the next working day. Hire charges will be levied on this basis.

(22) The execution of any order is subject to variation or cancellation from any cause beyond the Owner's control, e.g. Fires, Strikes, Lockouts, Storm and Tempest, etc.

(23) In the event of a heavy demand upon our stock, the Owner reserves the right to substitute any item or items, without reference to the hirer.
